CAUTION - EXTERNAL:

Dear Ms. Otis,

Good morning.

I write to advise respectfully Judge LaPlante that I am currently traveling to appear before him in court this morning regarding the above-referenced case.

As I informed you some time ago, I have had and continue to have the greatest difficulty in finding a tort lawyer willing to assist me in drafting and filing the Motions to Vacate the Default Judgment and Dismiss the suit against me. As a result I have been unable to file.

I most respectfully communicate to the Court that I wish to "have my day in Court" to defend myself against the false assertions of fact and claims that have been asserted by more than one party regarding me. Consequently, for the sake of the truth, I am opposed to the granting of the Motion for Summary Judgment.

I respectfully request to be admitted to the hearing scheduled for this morning in the matter before Judge LaPlante and any sentencing before I may file and before Judge LaPlante may consider the merits of my positions.

As a person having interest in the outcome of the hearing, I respectfully request the appointment by the Court of an advocate to assist me in my defense and intended filing of the above-indicated Motions.

So that I may learn what is transpiring in the case, I respectfully request permission from Judge LaPlante to be present during the hearing in the audience, and if permissible, an opportunity to speak with him briefly sometime today about what I need/can do to secure my defense.

Due to United Airlines' delays exceeding 3 hours yesterday, I am unable to appear before 10:45 AM ET this morning, for which I apologize to the Court.

Thanking you for you're timely assistance in transmitting this email to the Honorable Judge, I remain,

Very truly yours,

Marc Balestrieri
